

**2018 RV SUPERSHOW PROTOCOL FOR OVERNIGHT PARKING
FOR THE FLORIDA STATE FAIRGROUNDS
SELF-CONTAINED IN GENERAL PARKING LOTS**

Parking gates of the Florida State Fairgrounds will open at 7am daily beginning Wednesday Jan 17th, 2018. You will pay a parking fee of \$6 per car or \$12 (cash only) per RV upon arrival for show hours. Once you are at the admission window, you can purchase an additional overnight parking permit for \$20 a night to stay in the parking lot for any number of nights you desire.

Upon purchase, you will be given an overnight parking permit to be displayed in the RV window. If you are going to leave after show hours for dinner, shopping etc., then please take the purchased overnight parking pass and place it in transport vehicle. Please exit out the Orient Road gate which is the Fla State Fairgrounds service gate, located heading west on perimeter road from any parking lot. By having the overnight parking pass you will be able to re-enter and get back to your RV using the same gate.

If you miss buying a permit at the admission window, Fla State Fair Authority employees will be monitoring the parking lot and will issue a parking permit at that time. Please ask the employee to show their Fair Authority Photo ID credential prior to paying for your permit.
