In Case You Missed It...

Rule Changes for Odometer Disclosures

by Leah Langston. For years the Federal Government required all documents involving odometer disclosures to be signed in wet ink. However, since COVID-19, new rule changes have opened the door to using electronic signatures... [more info...](#)

2024 Legislative Session Opened

by Jennifer Ungru. September brought the first of committee week for the 2024 Legislative Session. This first week was scheduled as a House-only committee week and featured few meetings. Instead, the week focused on festivities honoring House Speaker Designee Danny Perez... [more info...](#)

IRS Orders Immediate Stop to New Employee Retention Credit

To protect taxpayers from scams, the IRS has stopped new Employee Retention Credit processing amid surge of questionable claims and has placed a moratorium on new Employee Retention Credit claims through at least Dec. 31. Hundreds of criminal cases are being worked, and thousands of #ERC claims have been referred for audit... [more info...](#)

Electronic Temporary Registration Systems

by Leah Langston. ETR is a mandatory system required by all dealers, including automobile and RV designed to streamline the submission of customer and vehicle information the DMV in real time... [read more....](#)

FRVTA Partnered with Dragonfly Energy for Training Initiative

by Traeanne Reynolds. By partnering with Dragonfly Energy to provide training resources, FRVTA aims to empower RV technicians with the skills needed to harness the full potential of lithium power systems... [read more....](#)

Is Your Arbitration Really Protecting You?

by Ejola Cook. Representing Dealers now for several decades, one of the first things I always ask my client is “do you have an arbitration agreement.” Personally, as an automotive dealer defense attorney I prefer Arbitration... [more info...](#)

IRS Alerts Businesses of Warning Signs of Misleading Employee Retention Scams

by Guest Contributor. As aggressive marketing continues, the Internal Revenue Service today renewed an alert for businesses to watch out for tell-tale signs of misleading claims involving the Employee Retention Credit... [read more...](#)

Understanding Florida LP Gas Licensing

The Florida Department of Agriculture and Consumer Services (FDACS) is responsible for licensing individuals and businesses that sell, transport, dispense or store liquefied petroleum (LP) gas and that manufacture, install, service or repair LP gas containers, systems, or appliances.
