Legislative Update: Property Tax Reform & Florida's Election

Outlook

by Andres Malave. Florida's election season is underway, bringing important developments that could impact businesses and property owners across the state. Get the latest update on the proposed property tax amendment, key

statewide races, legislative priorities, and what these changes could mean for Florida's RV industry as the November election approaches... [read more...](#)

Meet Ken Loyd: Officially Taking the Helm of the FRVTA

by Traeanne Reynolds. Many members already know Ken Loyd, but there may be more to his story than you realize. From lifelong camper and campground leader to FRVTA volunteer and now Executive Director, discover the experiences, passion, and vision Ken brings as he officially takes the helm of the association... [read more...](#)

From the Executive Director

by Ken Loyd. Executive Director Ken Loyd reflects on his first few months leading the FRVTA, including an important trip to Elkhart to meet with RV manufacturers and strengthen industry relationships. Read how these conversations are helping shape the future of the Association and the Florida RV SuperShow... [read more...](#)

Price Transparency: Why Dealers Should Act Now

by Ejola Cook. Consumers are demanding clear, upfront pricing, and regulators are paying attention. While RV dealers are exempt from the FTC's CARS Rule, hidden fees and unclear disclosures can still create legal and reputational risks. Learn why price transparency is becoming a competitive advantage and what your dealership should do now to stay ahead of the curve... [read more...](#)

Legislative Update: Session Ends, Budget Passes, and Campaign Season Begins

by Andres Malave. Florida's legislative session has officially concluded, but the political activity is far from over. From major property tax reform proposals and the Governor's upcoming special session to a rapidly evolving election landscape, important decisions are being made that could impact businesses, property owners, and Florida's future. Get the latest update on the state budget, property tax discussions, key races taking shape across Florida, and how the FRVTA continues to advocate for the RV industry in Tallahassee... [read more...](#)

Montana LLC Loophole Under Fire: What Florida Dealers Need to Know

by Ejola Cook. States are cracking down on the widespread use of Montana LLCs to avoid sales tax on high-value vehicle purchases. With enforcement actions already underway in California led by Rob Bonta, the ripple effects are reaching Florida, where audits and scrutiny are on the rise. Dealers and industry professionals should take note—this is no longer a distant issue, and the risks, including fines and criminal exposure, are becoming very real .. [read more...](#)

Is Your Purchase Agreement Missing this Protection?

by Marissa Kaliman. One overlooked disclosure in your vehicle purchase agreement could cost your dealership the opportunity to resolve a dispute before it turns into litigation. Review your sale forms now to make sure this

critical compliance safeguard is not missing before it becomes an expensive issue... [read more...](#)

Florida Businesses Face Rising Website Privacy Lawsuits

by Timothy D. Shields. Florida RV dealerships, resorts, and industry businesses are increasingly at risk of data privacy litigation tied to everyday website tools like tracking pixels, cookies, chat features, session replay software, and third-party marketing scripts. This article explains why Florida has become a hotspot for “digital wiretapping” claims, how common online features can create unexpected liability, and the key compliance steps RV businesses should take now to reduce exposure, protect customer trust, and avoid costly lawsuits... [read more...](#)

Why LP Gas Licensing Matters in the RV Industry

by Traeanne Reynolds. Whether you're selling, servicing, inspecting, or hosting RVs at your facility, ensuring proper LP gas safety is not optional—it's critical. In Florida and many other states, working on an RV's LP gas system requires a state-issued license. Understanding why this matters helps protect your business, your customers, and your reputation... [read more...](#)

Does the Florida Lemon Law Apply to RVs?

by Ejola Cook. Lately I have heard more consumers and lawyers threatening lemon law actions, but do they apply to RV's? The answer is that it depends. So, lets break it down... [read more...](#)

FRVTA Scholarship DEADLINE June 5th

The FRVTA Scholarship Committee would like to remind you that now is the time to encourage your employees and their dependents to apply for the Florida RV Trade Association Scholarship. All we ask is that you display the enclosed poster and applications in an area where your employees will see it (time clock, break room, etc.). The scholarship is open to any of your employees or their dependents that are working toward an undergraduate degree in one of Florida's state colleges. The FRVTA Scholarship pays \$2,000 a year for up to four years. This is a great opportunity for you to offer a scholarship to your employees without any cost or obligation to your company. Part-time students can apply as well. THE DEADLINE FOR APPLICATIONS IS JUNE 6, 2025!! As time is of the essence, please display the poster as soon as possible and mention the scholarship to those employees you know have children in college or getting ready to graduate from high school. Thank you for your help in making the scholarship program successful... [to apply...](#)

RVTI Level 1 Training is Coming to Tampa

RVTI Level 1 Training is coming to Tampa this April—and it's completely FREE for FRVTA members, a \$375 value.
