

2023 FPGA "Ken Monska" Propane Gas Safety School May 15 - 19, 2023 Hilton Ocala, Ocala, FL

A comprehensive week long propane gas safety school covering: Safety Requirements of NFPA 54, NFPA 58, Florida Laws and Rules, Regulators, Piping, Dispensing Stations, Venting, Bobtails, Bulk Plants, Propane Properties, Emergency Procedures, Gas Installation and Service, Gas Leak Detection, Liquid Transfer and Safety Procedures. More than 20 industry veterans and LP Gas Section inspectors provide professional instruction. All persons who currently have a Qualifier/Master Qualifier certification can receive up to 30 state certified CEU credits for renewal purposes.

****There are two options this year for attending Propane Safety School.****

Option 1: In person at the Hilton Ocala

Option 2: Virtually through our Goto Webinar software

The price for the school will be the same. If you are attending in person, you can pick up your books on Sunday afternoon or Monday morning.

If you are attending virtually, FPGA will mail your books to you two weeks before the event.

FULL COURSE REGISTRATION includes safety school handouts, the latest editions of NFPA 54, NFPA 58, Florida Laws and Rules, NFPA 110, and NFPA 1192.

CEU ONLY REGISTRATION includes all Safety School handouts but WILL NOT RECEIVE ANY CODE BOOKS. CEU Students will receive a certificate of course completion from the FPGA.

ROOMING: Call the Hilton at 352-854-1400 and identify yourself with the FPGA to receive our special room rate of **\$129** single/double. Each attendee is responsible for room charges upon arrival and meals.

TESTING: Testing will be available on site. Contact our office at 850-681-0496 to register.

REFUNDS: Cancellations before April 15, 2023 will minus a \$25 handling fee. Cancellations on or after April 15, 2023 or no shows at the school are non-refundable.

Email cancellation notice to lesli@floridagas.org

Pre-registration is mandatory for all attendees.
