WELCOME FROM THE PRESIDENT

Sean Thompson
President

WELCOME TO THE FLORIDA RV SUPERSHOW!

On behalf of the Florida RV Trade Association (FRVTA), the Executive Committee, Board of Directors and all the Members, we would like to thank you for attending the Florida RV SuperShow this week!

This show has over 1 million square feet of amazing RVs on display for your viewing pleasure. We offer FREE daily seminars included in the admission price throughout the 5-day show for you to enjoy learning about various topics related to the RV lifestyle. There are hundreds of vendors throughout the show showing off their products to make RVing more enjoyable.

When it comes to RVs, there are many options out there. The Florida RV SuperShow is an RV Manufacturers show which means all of the RVs on display come directly from the manufacturers. If it's in the RV industry it's here at the Florida RV SuperShow. We encourage you to check out all that there is to see and experience throughout this week during the show. If you are brand new to the RV lifestyle or have been in it for many years, there is always something new to learn and experience.

The Florida RV SuperShow Map is in the middle of this program, or you can use the interactive map found by scanning the QR code on the front cover of this program. FRVTA also has an app you can download and use to find our members.

Our amazing FRVTA staff has once again put on a show that brings people from all over the world to visit Tampa, Florida to experience the newest RVs. Their hard work and dedication have built the Florida RV SuperShow into the biggest and best RV show in the country. The roving entertainment will keep you in stitches all day, from stilt walkers and jugglers to magicians and even a bagpipe band. You never know who will be coming around the next corner.

My motto has always been, "Work Hard, Relax Harder."

Get out there and enjoy camping with family and friends!

FAMILY CAMPGROUND

Open every day of the year, Ocean Lakes is located about an hour off of I-95 where Highway 544 and Kings Highway intersect at the south end of Myrtle Beach. We offer a variety of planned activities year round, outstanding amenities, service, and lots of southern hospitality so you'll never want to leave!

Summer is all about families having fun. We feature unique amenities like our Skate Park, activities like Kamp Starfish, crafts, bingo, tie dye and more. Float along in our Adventure (lazy) River, challenge friends on our Drop Zone Mat Racer, scream down The Tube slide, or enjoy watching the kids at the Splash Zone or Tad Pool for tots - all included for our guests! Dogs love the Lakeside Paws N'Play; pet parents love our DIY dog washes.

When the kids are back in school our pace is mellow, but the fun and sun never stop. Relax in our pools, shop in our store, let us do the cooking! Enjoy special events like Halloweekends and our Polar Bear Plunge. Both RV and golf car service and supplies are available on site. No RV? Book one of our vacation rentals via Ocean Lakes Properties!

WHAT'S FRVTA ALL ABOUT?

THE FLORIDA RV TRADE ASSOCIATION IS THE SPONSOR OF THE ANNUAL FLORIDA RV SUPERSHOW.

The Florida RV Trade Association (FRVTA) was established in 1979 with one purpose in mind — to promote the general welfare of the recreation vehicle and camping industries throughout the State of Florida.

Since 1979, the FRVTA (www.frvta.org) has undergone many changes, and today it is one of the largest state RV associations in the country.

The FRVTA is a nonprofit organization made up of campgrounds and resorts, RV dealers, finance and insurance firms, RV manufacturers, and service and supplier companies representing thousands of employees. All of these companies work together to ensure that customers receive the finest RV products, supplies, services and accommodations available. All FRVTA activities are coordinated through the state office, which consists of an executive director, marketing director, show director and support staff.

The FRVTA has divided the state into seven regions, allowing members to participate in local legislative matters and RV shows. In addition, the association has another region for out-of-state members. It includes just about every RV manufacturer, the nation's largest campground chains, national camping clubs, and a host of service and supply firms, insurance and financial companies. The FRVTA communicates with each region to keep members up to date on industry changes.

Keeping an eye on legislative matters at the state level, the FRVTA employs a full-time lobbyist in Tallahassee to be a watchdog over legislation that affects the RV industry. The association also supports candidates through the FRVTA Political Action Committee Fund.

The FRVTA sponsors a number of regional RV shows and the annual Florida RV SuperShow in Tampa. These shows not only allow the public to view a number of various RVs, they also are forums for educational seminars and camping clubs. These shows provide an introduction to the RV lifestyle. Through these shows and other activities, the FRVTA also works closely with state and local tourism officials to promote RVing and camping in Florida.

So, what does the FRVTA mean to you, the consumer? FRVTA dealers carry every major RV brand and manufacturer line. This means a greater selection and variety, whether you're looking for a travel trailer, fifth-wheel, park model or motorhome. Due to the large volume of new business, FRVTA dealers carry a huge inventory of quality used units, which means your trade-in will be worth more and your choice of used units will be endless. Don't forget to look for the FRVTA logo in campgrounds.

Whether you're shopping at an FRVTA dealership or RV show, or looking for the most modern and well-equipped campground or resort, look for the Florida RV Trade Association logo to be assured of the finest RV products, services and accommodations around.

Stay in Touch WITH FRVTA

It is easier than ever before to keep up with trends in the RV Industry, get travel tips, contact local RV businesses, and get all the information you need about statewide RV shows and the largest RV show in the country, the *Florida RV SuperShow*. FRVTA now has a new and improved website, can be liked and followed on a number of Social Media sites, and recently launched its new MOBILE APP!

FRVTA launched its new and improved website (frvta.org). The new site makes it easier for the general public to get information about upcoming Regional RV Shows, the *Florida RV SuperShow*, and the *Super Rally*. More importantly, the new site will give visitors more information about FRVTA members and an exact location of each member on a map.

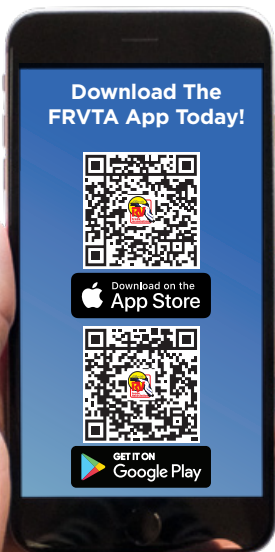

New to the FRVTA site is an ongoing blog section. "We are working with a number of bloggers, so this section stays new, current, and entertaining," said FRVTA Executive Director Dave Kelly. "The new site will also allow us to make additions/corrections at a minute's notice, so the information stays up-to-date".

The new site also features a search function to make it easy to find campgrounds, RV dealers, and service and supplies nearest to where you are. There is also a regional information page that has loads of information about the 7 FRVTA regions, things to do and see, and much more information. We want our site to be a complete guide to the

State of Florida for not just RVers but anyone wanting more information about our state. Visit frvta.org today and get out there and enjoy Florida!

Follow the FRVTA on Facebook, YouTube, Instagram, TikTok and Pinterest to get RV Lifestyle, FRVTA RV Resorts & Campgrounds and Destinations, RV Tips, Special Discounts, RV Show Notifications, and to stay in touch with the Florida RV Industry. On our social sites, you can easily ask questions and interact with the FRVTA. We encourage your input on places to see, your favorite restaurants, and those little-known spots that you love to visit!

The newly launched mobile app is an RVers dream. Using your location, you will be able to find the closest service center, RV dealership, campground, or hard-to-find parts and accessories. The app also helps you find road service, the closest gas or diesel station, restaurants, shopping, emergency clinics, and even weather updates. The app is Apple and Google-friendly and can be downloaded from any of the App Stores.

Coach House motorhomes are luxury, Class B and Class B+ recreational vehicles known for their high-quality construction and innovative design. These motorhomes come equipped with premium amenities such as fully equipped kitchens, spacious living areas, entertainment systems, and elegant interiors, providing a comfortable and home-like experience on the road. With attention to detail, superior craftsmanship, and a reputation for reliability, Coach House motorhomes cater to discerning travelers seeking a top-tier RV experience.

PREMIUM FABRICATION: IT ALL STARTS WITH A SHELL

**THE INDUSTRY'S ONLY ONE-PIECE FIBERGLASS BODY
HAND LAID AND REINFORCED WITH CARBON FIBER**

Coach House motorhomes are renowned for their unique one-piece fiberglass shell, a standout feature that sets them apart in the RV industry. This innovative design involves molding the entire body of the motorhome from a single piece of fiberglass, eliminating seams and joints found in traditional RV construction. The result is a highly durable and aerodynamic shell that significantly reduces the risk of leaks and water intrusion, ensuring longevity and minimal maintenance. This seamless structure also contributes to a quieter and more comfortable ride by reducing noise and vibrations. Additionally, the one-piece fiberglass shell enhances the vehicle's structural integrity, providing superior strength and a sleek, modern appearance. Overall, this design choice reflects Coach House's commitment to quality, reliability, and craftsmanship.

ALL IN THE FAMILY

CLASS A

Class A motorhomes are built on specially designed motor vehicle chassis and do not require owning a separate tow vehicle. This type of motorhome often boasts between 1 and 4 slide-outs that can add up to 6 feet in width to your RV. Home-like amenities abound with full kitchens, bathrooms, living areas with entertainment centers, and centrally controlled heating and air conditioning.

Size: 21 to 43 feet

Avg. Cost: From \$75,000-\$250,000

CLASS C

Class C motorhomes are perfect for families and groups of friends who want the adventure and flexibility of spontaneous vacation along with the convenience and amenities of home. Built on an automotive van frame with a wider body section attached to the original cab, class C motorhomes are easily recognizable by the over-the-cab portion that is often an optional sleeping area. Amenities are similar to those in conventional motorhomes and many also have slide-outs.

FIFTH WHEEL

A large picture window at the rear of the RV for panoramic views is one thing that sets 5th wheels apart from other RVs. Fifth wheels often come with the same amenities as a motorhome or travel trailer but are constructed with a raised forward section that provides a more spacious bi-level floor plan. These models are designed to be towed by a pickup truck equipped with a device known as a fifth-wheel hitch.

HAULER

An RV Hauler is a semi-truck that pulls a 5th-wheel or travel trailer RV. Although a full-size pick-up truck can pull many types of trailers, a semi-truck RV hauler can provide more power which can be especially helpful for longer, heavier, or custom 5th wheel trailers. The semi-truck RV hauler can also provide more safety by offering extra braking power even with very heavy trailers. In addition, some haulers can haul another vehicle on a deck behind the cab while also pulling the 5th wheel or travel trailer.

PARK MODEL

Park Model RVs are used for camping and seasonal use as temporary accommodations and they offer more space than any other RV type. They are designed to look like a home; however, they need to be hooked up to site electricity, sewer, and water as with any RV. They are also built with wheels so that they can be easily moved into and around campgrounds.

POP UP CAMPERS

Pop-up campers, also known as folding camping trailers, appeal to budget-conscious consumers looking for a lighter weight RV that allows for towing behind many typical family vehicles, including some small cars. Pop-ups are folded down to a more compact size for easy storage and travel. This style of RV also allows the user to feel closer to nature and connected to the outdoors by mimicking the feeling of sleeping outside.

Size: 8 to 16 feet
Avg. Cost: From \$10,000-\$25,000

SPORT UTILITY RV

Sport utility RVs are built for those who want to take motorcycles, dirt bikes, ATVs, or other motorized toys on the road with them while RVing. The back of the RV drops down forming a ramp for access into a garage area where sporting equipment and motorized toys can be stored safely and accessed quickly. This type of RV can be made as a travel trailer, 5th wheel, or a Class A motorhome. The garage area and living quarters are usually separated by a wall.

SUPER C

A Super C Recreational Vehicle is similar in build to a Class C motorhome, but the difference is in the power of the engine and type of fuel. Unlike the Class C vehicles, the engine of a Super C RV is built on a heavy-duty front-engine chassis. Also, the engines are diesel-powered.

TRAVEL TRAILER

Travel Trailers are the most popular type of RV because they come in all shapes and sizes and can accommodate solo travelers all the way up to large families. As long as the vehicle is equipped with a hitch, smaller travel trailer models can be towed by mid-size vehicles, including the family sedan or minivan, while larger models can be towed with an SUV or pickup truck.

Raising Hope

TURN YOUR NEXT
ROAD TRIP INTO
A MISSION OF
LOVE AND HOPE.

RV adventures are all about freedom, fun, and discovering new experiences. But what if you could cruise down a scenic highway while making a profound difference in someone's life?

Welcome to the delightful world of volunteer puppy raising with Dogs Inc, where extraordinary dogs provide life-changing support to people with vision loss, struggling veterans, and children needing a loyal friend—at no cost to recipients.

"I love the journey of watching an adorable, silly puppy turn into an intelligent, empathetic, and life-changing service animal," says longtime puppy raiser Amy Furman. "I find it wonderfully purposeful, fulfilling, and a fun way to make a difference."

You'll provide the cuddles, care, and basic training the puppies need to become happy, healthy heroes-in-training. Dogs Inc ensures you're well-equipped for the journey with supplies, toys, and even a sleeping crate! They cover all veterinary care and medical expenses, plus monthly heart worm and parasite preventatives. Just bring food, water, and lots of love.

One goal of puppy raising is to expose pups to a variety of experiences. What better opportunity for a diverse and stimulating upbringing than RV life? The changing environments, new people, and unfamiliar objects on the road are fantastic for socialization and development. Plus, puppies make campfires cozier and hikes more enjoyable—and nothing captures the spirit of adventure like a puppy discovering the world alongside you.

No matter where you travel, the Dogs Inc team will support you every step of the way. You'll find optional puppy raiser clubs nationwide for socializing, skill practice, and expert guidance tailored to help both you and your pup thrive. And if you need a break, puppy sitters are always ready to step in.

While puppy raising may steal your whole heart, it doesn't have to take all your time. As a volunteer puppy raiser, you have the flexibility to choose the commitment that works best for your lifestyle. Whether you raise a puppy for three months, six months, or a full year, you're helping to shape a future service dog—and a brighter future for someone in need.

And it gets even better! Co-raising offers a unique and fun way to share this incredible journey with others. You can team up with family, friends, colleagues, or even your local community to divide responsibilities and enjoy the experience together. Some volunteers choose to take on the challenge solo, building a special one-on-one bond with their puppy, while others thrive as part of a co-raising team, celebrating every milestone together. No matter which path you choose, you'll be making an extraordinary impact, one wagging tail and wet nose at a time.

After their adventure with you, pups return to the Dogs Inc campus for advanced training at Canine University, where they'll work toward a future career. Goodbyes are hard, but, as experienced puppy raiser Meghan Watson says, "I may want this puppy, but seeing someone who needs her—nothing else compares. It makes it all worth it."

Imagine the joy of exploring new places, knowing each mile brings a puppy closer to becoming a life-changing companion for someone in need. Turn your next road trip into a mission of love and hope by welcoming a puppy into your journey for 3, 6, or 12 months—and make your travels even more rewarding.

Ready to change lives from the driver's seat of your RV? Visit dogsinc.org/get-involved/raise-a-puppy/ to get started.

The magical journey of puppy raising: where destinies begin and love grows

- Bright-eyed puppies leave the Dogs Inc Puppy Academy.
- They go home with volunteer puppy raisers, like you!
- Curious dogs return to Dogs Inc to conquer Canine University.
- Then, they are matched with their person, changing a life and fulfilling their destiny.

CONNECT WITH US!

Hi, Roadie here, I've taken over the Florida RV Trade Association's social media to connect with fellow roadies. RVers sharing stories about the people, places and things that we have enjoyed on our travels, exchanging tips and hacks that make the RV lifestyle more efficient, easier or more fun and asking and answering one another's questions concerning RVing and being on the road are the social current of today's RV lifestyle. To join the conversation, you can comment on my page or use **#FLroadies** in your post, be sure to like/follow me on:

TRUCK CAMPER

Truck Campers are portable units designed to be loaded onto, or affixed to, the bed or chassis of a pickup truck. Because truck campers are easily loaded and unloaded from the bed of the truck, they are easy to drive and leaves the truck's bumper free allowing the driver to tow boats, ATVs, and other trailers.

TT TOY HAULER

A toy hauler RV combines an equipment hauler and a mobile living space into an all-in-one package, something that reduces the time spent loading items. You'll have more time to spend outdoors and have a place to sleep. These haulers have a main living area with a small kitchen. You'll likely find a bed.

Size: 20 to 35 feet
Avg. Cost: From \$23,000 to \$33,000
