# WELCOME TO THE FLORIDA RV SUPERSHOW!

Ladies and gentlemen, RV enthusiasts, adventurers, and dreamers — welcome to the **Florida RV SuperShow**!

On behalf of the **Florida RV Trade Association (FRVTA)**, our Executive Committee, Board of Directors, State office employees, and all of our dedicated members, we extend our heartfelt gratitude for joining us here in Tampa this week. This event is not just a show — it's a celebration of the RV lifestyle, a gathering of community, and a showcase of innovation.

### A Show Like No Other

This year, we've outdone ourselves:

- Over **1.3 million square feet** of RVs, from compact campers to luxury motorhomes, all ready for you to explore.
- More manufacturers than ever before, bringing their latest models, cutting-edge designs, and exciting new features.
- **Hundreds of vendors** offering products and services to make your RV adventures more comfortable, efficient, and fun.

### Learn, Discover, and Connect

Your admission includes access to 30+ free seminars spread across the five-day event. These sessions cover everything from RV maintenance and travel tips to lifestyle hacks and destination ideas. Whether you're brand new to RVing or a seasoned traveler, there's always something new to learn.

### A Global Gathering

The Florida RV SuperShow has become a destination for visitors from across the country and around the world. Our FRVTA staff has worked tirelessly to create an event that not only highlights the best of the RV industry but also showcases the warmth and hospitality of Tampa, Florida.

### Navigate with Ease

To help you make the most of your time, we've created an **interactive map** available through our mobile app. Simply scan the QR code to download it, and you'll have everything you need at your fingertips — from seminar schedules to exhibitor locations.

### The Spirit of RVing

At its heart, RVing is about freedom, exploration, and connection. It's about waking up to new horizons, sharing campfires with family and friends, and creating memories that last a lifetime. My personal motto has always been: **"Work Hard, Relax Harder."** And there's no better way to live that motto than by embracing the RV lifestyle.

So, as you walk through the show this week, take your time. Dream big. Ask questions. Imagine the adventures ahead. Whether you're here to buy your first RV, upgrade to your next, or simply soak in the atmosphere, we hope you leave inspired and excited for the road ahead.

Thank you once again for being part of this incredible event. Let's make this year's Florida RV SuperShow the best one yet!

# Ocean Lakes

**FAMILY CAMPGROUND**

Open every day of the year, Ocean Lakes is located about an hour off of I-95 where Highway 544 and Kings Highway intersect at the south end of Myrtle Beach. We offer a variety of planned activities year round, outstanding amenities, service, and lots of southern hospitality so you'll never want to leave!

Summer is all about families having fun. We feature unique amenities like our Skate Park, activities like Kamp Starfish, crafts, bingo, tie dye and more. Float along in our Adventure (lazy) River, challenge friends on our Drop Zone Mat Racer, scream down The Tube slide, or enjoy watching the kids at the Splash Zone or Tad Pool for tots - all included for our guests! Dogs love the Lakeside Paws N' Play; pet parents love our DIY dog washes.

When the kids are back in school our pace is mellow, but the fun and sun never stop. Relax in our pools, shop in our store, let us do the cooking! Enjoy special events like Halloweekends and our Polar Bear Plunge. Both RV and golf car service and supplies are available on site. No RV? # WHAT'S FRVTA ALL ABOUT?

## THE FLORIDA RV TRADE ASSOCIATION IS THE SPONSOR OF THE ANNUAL FLORIDA RV SUPERSHOW.

The Florida RV Trade Association (FRVTA) was established in 1979 with one purpose in mind — to promote the general welfare of the recreation vehicle and camping industries throughout the State of Florida.

Since 1979, the FRVTA ([www.frvta.org](http://www.frvta.org)) has undergone many changes, and today it is one of the largest state RV associations in the country.

The FRVTA is a nonprofit organization made up of campgrounds and resorts, RV dealers, finance and insurance firms, RV manufacturers, and service and supplier companies representing thousands of employees. All of these companies work together to ensure that customers receive the finest RV products, supplies, services and accommodations available. All FRVTA activities are coordinated through the state office, which consists of an executive director, marketing director, show director and support staff.

The FRVTA has divided the state into seven regions, allowing members to participate in local legislative matters and RV shows. In addition, the association has another region for out-of-state members. It includes just about every RV manufacturer, the nation's largest campground chains, national camping clubs, and a host of service and supply firms, insurance and financial companies. The FRVTA communicates with each region to keep members up to date on industry changes.

Keeping an eye on legislative matters at the state level, the FRVTA employs a full-time lobbyist in Tallahassee to be a watchdog over legislation that affects the RV industry. The association also supports candidates through the FRVTA Political Action Committee Fund.

The FRVTA sponsors a number of regional RV shows and the annual Florida RV SuperShow in Tampa. These shows not only allow the public to view a number of various RVs, they also are forums for educational seminars and camping clubs. These shows provide an introduction to the RV lifestyle. Through these shows and other activities, the FRVTA also works closely with state and local tourism officials to promote RVing and camping in Florida.

So, what does the FRVTA mean to you, the consumer? FRVTA dealers carry every major RV brand and manufacturer line. This means a greater selection and variety, whether you're looking for a travel trailer, fifth-wheel, park model or motorhome. Due to the large volume of new business, FRVTA dealers carry a huge inventory of quality used units, which means your trade-in will be worth more and your choice of used units will be endless. Don't forget to look for the FRVTA logo in campgrounds.

Whether you're shopping at an FRVTA dealership or RV show, or looking for the most modern and well-equipped campground or resort, look for the Florida RV Trade Association logo to be assured of the finest RV products, services and accommodations around.

# Stay in Touch WITH FRVTA

It is easier than ever before to keep up with trends in the RV Industry, get travel tips, contact local RV businesses, and get all the information you need about statewide RV shows and the largest RV show in the country, the *Florida RV SuperShow*. FRVTA now has a new and improved website, can be liked and followed on a number of Social Media sites, and recently launched its new MOBILE APP!

FRVTA launched its new and improved website ([frvta.org](http://frvta.org)). The new site makes it easier for the general public to get information about upcoming Regional RV Shows, the *Florida RV SuperShow*, and the *Super Rally*. More importantly, the new site will give visitors more information about FRVTA members and the exact location of each member on a map.

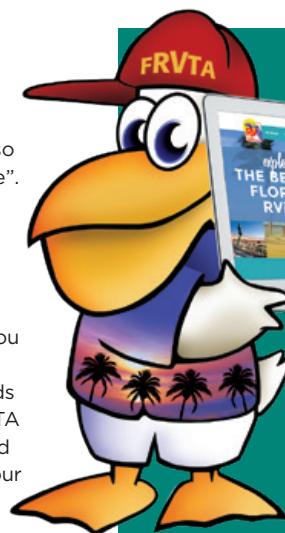

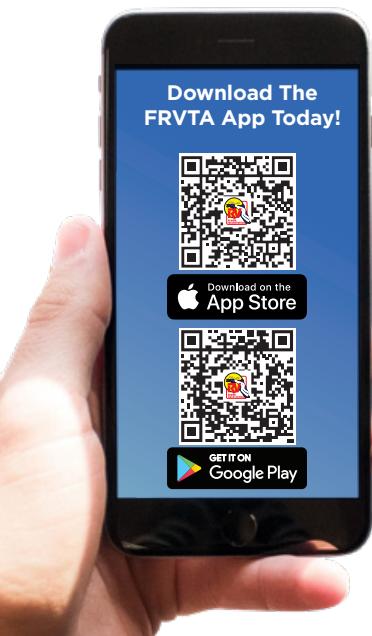

New to the FRVTA site is an ongoing blog section. "We are working with a number of bloggers, so this section stays new, current, and entertaining," said FRVTA Executive Director Dave Kelly. "The new site will also allow us to make additions/ corrections at a minute's notice, so the information stays up-to-date".

The new site also features a search function to make it easy to find campgrounds, RV dealers, and service and supplies nearest to where you are. There is also a regional information page that has loads of information about the 7 FRVTA regions, things to do and see, and much more information. We want our site to be a complete guide to the

State of Florida for not just RVers, but anyone wanting more information about our state. Visit [frvta.org](http://frvta.org) today and get out there and enjoy Florida!

Follow the FRVTA on Facebook, YouTube, Instagram, TikTok, and Pinterest to get RV Lifestyle, FRVTA RV Resorts & Campgrounds and Destinations, RV Tips, Special Discounts, RV Show Notifications, and to stay in touch with the Florida RV Industry. On our social sites, you can easily ask questions and interact with the FRVTA. We encourage your input on places to see, your favorite restaurants, and those little-known spots that you love to visit!

The newly launched mobile app is an RVers dream. Using your location, you will be able to find the closest service center, RV dealership, campground, or hard-to-find parts and accessories. The app also helps you find road service, the closest gas or diesel station, restaurants, shopping, emergency clinics, and even weather updates. The app is Apple and Google-friendly and can be downloaded from any of the App Stores.

### **Understanding your 12V and 120V systems with WFCO**

**Sessions: Thursday, 3pm and  
Saturday, 4pm**

This will cover basic understanding and troubleshooting for WFCO converters and power centers. Most people may not even know they have a converter, let alone a WFCO converter. 90% of all RV's built today have a WFCO converter. We will cover what a converter is, what it does and how to ensure proper functionality. WFCO converters are the heart and soul of the RV's 12V system and power accessories like your lights, slide-outs and water pump. While the WFCO converter takes care of the 12V accessories in the RV it will also charge and maintain a variety of 12V batteries including Lead-Acid and Lithium. After we cover basic converter functionality we will dive into how WFCO converters charge batteries and things to look for that can affect the charging process.

## A LEGACY OF CRAFTSMANSHIP

For over 40 years, Coach House has set the benchmark for excellence in the Class B and B+ segment. Every motorhome is hand-built in Nokomis, Florida, on a premium Ford or Mercedes-Benz chassis — engineered for strength, comfort, and longevity. Our seamless fiberglass body, handcrafted interiors, and precise fit and finish reflect a level of quality that only decades of experience can deliver.

## ENGINEERED FOR THE JOURNEY

Our patented one-piece fiberglass body — reinforced with carbon fiber — eliminates seams, reduces noise, and enhances insulation for year-round travel. By building and selling factory-direct, we maintain complete control over quality and craftsmanship, ensuring every Coach House delivers dependable performance, refined comfort, and lasting value mile after mile.

- Details on ground impedance testing

### **Co-pilot, The Right Seat**

Sessions: Saturday, 10am

The right seat or co-pilot is an integral part of safe traveling. Many state laws deter driver distractions. The co-pilot can not only make the trip safer by performing these tasks but can also make the trip much more enjoyable. Steven Raye, fire department driving instructor and RVTI Master certified tech will navigate you through safe co-piloting. Removing the burden of navigation from the pilot and being the second set of eyes on the road it will open a wider range of positive travel experiences.

### **RV Fire Safety Prevention For Safe RVing**

## CLASS A

Class A motorhomes are built on specially designed motor vehicle chassis and do not require owning a separate tow vehicle. This type of motorhome often boasts between 1 and 4 slide-outs that can add up to 6 feet in width to your RV. Home-like amenities abound with full kitchens, bathrooms, living areas with entertainment centers, and centrally controlled heating and air conditioning.

**Size:** 21 to 43 feet

**Avg. Cost:** From \$75,000-\$250,000

## CLASS C

Class C motorhomes are perfect for families and groups of friends who want the adventure and flexibility of spontaneous vacation along with the convenience and amenities of home. Built on an automotive van frame with a wider body section attached to the original cab, class C motorhomes are easily recognizable by the over-the-cab portion that is often an optional sleeping area. Amenities are similar to those in conventional motorhomes and many also have slide-outs.

**Size:** 25 to 35 feet

## FIFTH WHEEL

A large picture window at the rear of the RV for panoramic views is one thing that sets 5th wheels apart from other RVs. Fifth wheels often come with the same amenities as a motorhome or travel trailer but are constructed with a raised forward section that provides a more spacious bi-level floor plan. These models are designed to be towed by a pickup truck equipped with a device known as a fifth-wheel hitch.

## HAULER

An RV Hauler is a semi-truck that pulls a 5th-wheel or travel trailer RV. Although a full-size pick-up truck can pull many types of trailers, a semi-truck RV hauler can provide more power which can be especially helpful for longer, heavier, or custom 5th wheel trailers. The semi-truck RV hauler can also provide more safety by offering extra braking power even with very heavy trailers. In addition, some haulers can haul another vehicle on a deck behind the cab while also pulling the 5th wheel or travel trailer.

## PARK MODEL

Park Model RVs are used for camping and seasonal use as temporary accommodations and they offer more space than any other RV type. They are designed to look like a home; however, they need to be hooked up to site electricity, sewer, and water as with any RV. They are also built with wheels so that they can be easily moved into and around campgrounds.

**Size:** 32 to 41 feet

**Avg. Cost:** From \$35,000-\$80,000

## POP UP CAMPERS

Pop-up campers, also known as folding camping trailers, appeal to budget-conscious consumers looking for a lighter weight RV that allows for towing behind many typical family vehicles, including some small cars. Pop-ups are folded down to a more compact size for easy storage and travel. This style of RV also allows the user to feel closer to nature and connected to the outdoors by mimicking the feeling of sleeping outside.

**Size:** 15 to 23 feet

**Avg. Cost:** From \$10,000-\$25,000

## SPORT UTILITY RV

Sport utility RVs are built for those who want to take motorcycles, dirt bikes, ATVs, or other motorized toys on the road with them while RVing. The back of the RV drops down forming a ramp for access into a garage area where sporting equipment and motorized toys can be stored safely and accessed quickly. This type of RV can be made as a travel trailer, 5th wheel, or a Class A motorhome. The garage area and living quarters are usually separated by a wall.

## SUPER C

A Super C Recreational Vehicle is similar in build to a Class C motorhome, but the difference is in the power of the engine and type of fuel. Unlike the Class C vehicles, the engine of a Super C RV is built on a heavy-duty front-engine chassis. Also, the engines are diesel-powered.

## TRAVEL TRAILER

Travel Trailers are the most popular type of RV because they come in all shapes and sizes and can accommodate solo travelers all the way up to large families. As long as the vehicle is equipped with a hitch, smaller travel trailer models can be towed by mid-size vehicles, including the family sedan or minivan, while larger models can be towed with an SUV or pickup truck.

## TRUCK CAMPER

Truck Campers are portable units designed to be loaded onto, or affixed to, the bed or chassis of a pickup truck. Because truck campers are easily loaded and unloaded from the bed of the truck, they are easy to drive and leaves the truck's bumper free allowing the driver to tow boats, ATVs, and other trailers.

# Florida WINERIES

The rich abundance of fruits and flowers that earned Florida its name centuries ago from Spanish explorers included native grapevines on Florida's east coast. It wasn't long before Spanish settlers applied their winemaking skills to Florida's wild muscadine grapes to create the first American wine.

Florida's subtropical climate, rich soils, and hilly terrain provide just the right combination for muscadine grapes to thrive. Today's avid vintners harvest a variety of fruits that contribute to the wine being made at 40 wineries scattered across the state. The Florida wine industry generated \$20.09 billion in total economic activity in 2025, according to WineAmerica. The industry supports 126,662 jobs, including direct employment and roles in farming, transportation, packaging, and more.

Florida's vineyards, wineries, and flavorful wines are interesting parts of Florida history that few people know about, but more and more families are discovering them as they look beyond the beaches and amusement parks. Florida's wine regions in 2025 attracted more than 450,000 tourists and accounted for \$86 million in tourism spending. Visitors can stroll through a vineyard, view a harvest, watch the winemaking, corking, bottling, and labeling processes, and sample the wonderful and distinctive varieties of delicious Florida wines.

Here are a few of our favorites, listed by region.

## Region 1

### Bunker Hill Vineyard and Winery

[www.bunkerhillvineyard.com](http://www.bunkerhillvineyard.com)

Located not too far from Bradenton and 14 miles east of Parrish, the Bunker Hill Vineyard and Winery prides itself on being an environmentally friendly vineyard. Owners Larry and Lenora Woodham are committed to reducing their impact by eliminating the use of electricity from the grid and opting for alternative forms of energy whenever possible. Their use of 100 percent recycled wine bottles helps reduce their carbon footprint. The Vineyard hosts complimentary daily tours and wine tastings.

## Region 2

### Schnebly Redland's Winery & Brewery

[www.schneblywinery.com](http://www.schneblywinery.com)

The southernmost winery in the continental United States, Schnebly Redland's Winery in Homestead, is the result of Peter and Denise Schnebly's goal to start an agro-tourism business based from their farms in the Redlands of South Florida. Sustainable farming became a top priority, and Schnebly wines are made from only the finest fruit. Each mango, lychee, guava, passion fruit, and carambola (star fruit) are personally picked for fermentation. The winery offers weekend tours and a lush tropical setting.

## Region 3

### Florida Orange Groves Winery

[www.floridawine.com](http://www.floridawine.com)

Florida Orange Groves Winery is a third-generation, family-owned and operated, tropical fruit winery. They started shipping and packing fresh citrus in the early 1970s in St. Petersburg and grew to include retail sales of fresh-squeezed juice plus a gift shop. They started experimenting with fruit wines more than a decade ago and are now a fully operational, working winery producing more than 43 different varieties of premium tropical fruit wines, including Key Lime and Mango Momma.

### Keel and Curley Winery

[www.keelandcurleywinery.com](http://www.keelandcurleywinery.com)

Keel and Curley Winery in Plant City was started by blueberry farmer Joe Keel with 100 percent blueberry wine, and now produces more than 20,000 cases each year of sweet, semi-dry, and dry. The winery has branched into blackberry wine, fusion wines, cider, and even craft beers. Enjoy a tasting room for either beer or wine with indoor and outdoor seating, a full-service restaurant, romantic lakeside views, live music, and events.

## Region 4

### Island Grove Wine Company at Formosa Gardens

[www.islandgrovewinecompany.com](http://www.islandgrovewinecompany.com)

Island Grove Wine Company at Formosa Gardens is a family-friendly agritourism destination. Tour the wine-making area and taste unique fruit wines, traditional grape wines, and local craft beers, plus visitors can explore more than seven acres of botanical gardens. Island Grove is known for making fruit wine, including sustainable berry wines and delicious fruit wine blends.

## Region 5

### Chautauqua Winery

[www.chautauquawinery.com](http://www.chautauquawinery.com)

Near the interesting town of De Funiak Springs, not far off Interstate 10 in the Panhandle, is the Chautauqua Winery, established in 1989. It carries a large inventory of home-grown wine made from cultivated varietal grapes specially cultured for Floridian soil and environment. The results are flavorful and vibrant. Visitors are offered tours of the bottling process and free samples, plus food and gifts are available for purchase.

## Region 6

### San Sebastian Winery

[www.sansebastianwinery.com](http://www.sansebastianwinery.com)

Near St. Augustine is the San Sebastian Winery, founded in 1996 and a pioneer in the development of table, sparkling, and dessert wines from hybrid and muscadine grapes. San Sebastian Winery labels have won more than 700 awards for excellence in winemaking. Visitors will find guided tours, tastings, and a rooftop jazz bar.

## Region 7

### Lakeridge Winery & Vineyards

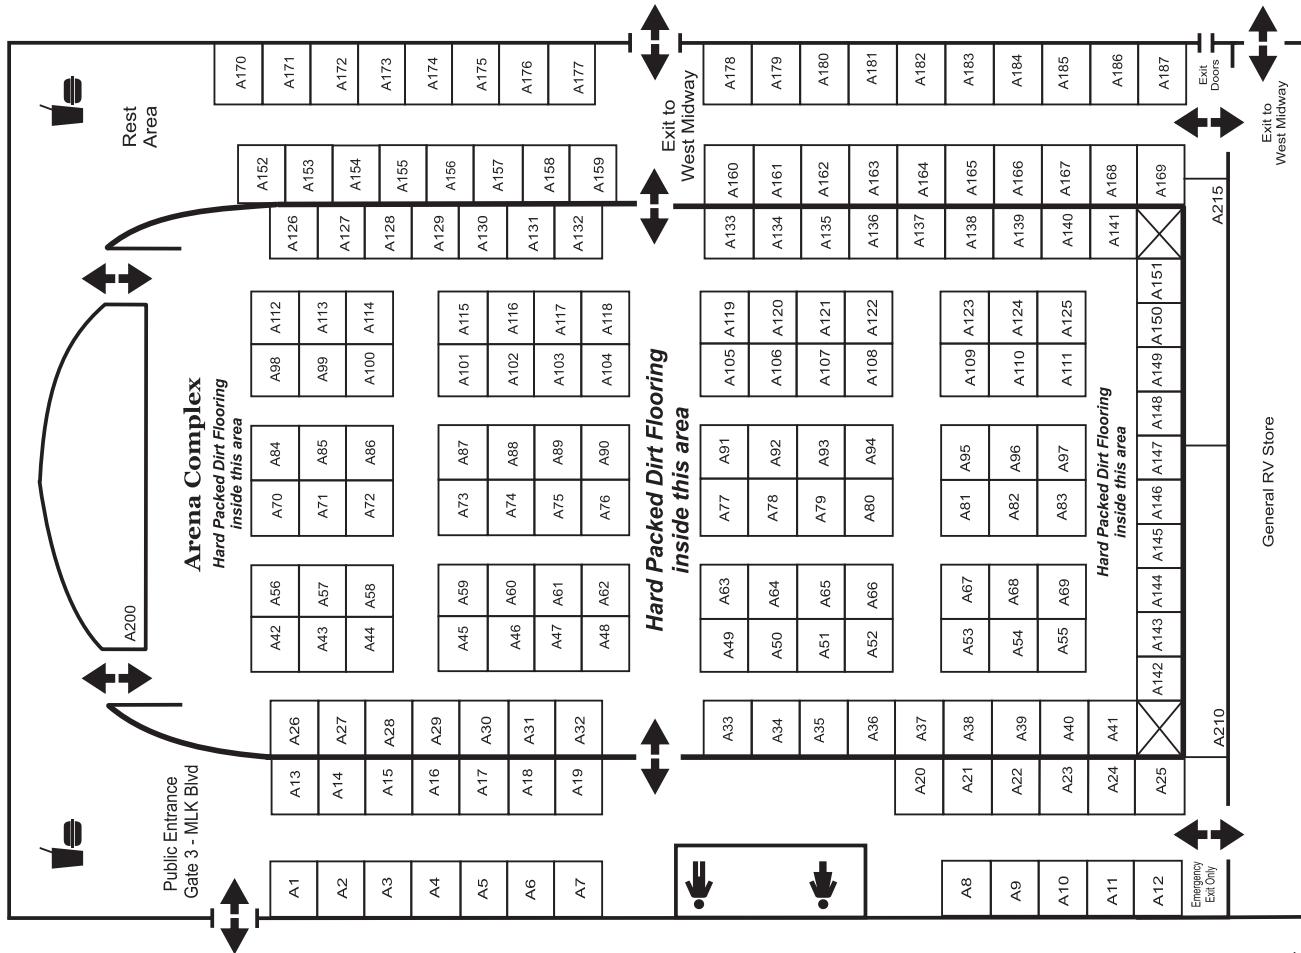

[www.lakeridgewinery.com](http://www.lakeridgewinery.com)

Lakeridge Winery & Vineyards opened its doors in February 1989 in Clermont and sits on a 127-acre estate in gently rolling countryside some 25 miles west of downtown Orlando. This area was once the center of the state's grape industry. Lakeridge ranks as Florida's largest premium winery and remains a pioneer in the development of premium and sparkling wines from the native Muscadine grape varieties Noble, Carlos, and Welder, as well as vinifera varieties to include Chardonnay, Pinot Grigio, Petite Sirah, and Cabernet Sauvignon. Together, these labels have won more than 600 awards for excellence in winemaking. Lakeridge offers weekend festivals with food trucks and live music.
